

Social Skills Lesson Plan

Classroom

Skill: Be Kind – Share with Others

Steps:

1. Begin with a group discussion on sharing. Discuss why it is important to share and how a person feels when sharing.
2. Play the “bean bag” pass game – use popular and incidental items from the room, practice passing them on (see attached).
3. Teacher brings a food item to share (e.g., pie, cake, pizza, bottles of juice) and conducts a discussion on division and sharing.
4. Discuss sharing of crayons/markers and partner work during small group.
5. Make a collage of people sharing.
6. Have students share classroom jobs or single snack items [divided in half] with their Friends.

Modeling/Role Play

1. Do a partner art activity where 2 children share a set of materials to create a picture or collage.

Possible Materials

1. Collage materials (including paper, crayons & markers)
2. Food items to share
3. Storybooks on sharing

Homework: Send home a note to parents asking them to discuss with their child how or when he/she shared with someone today.

Other information: Acknowledge children sharing with others.
